

# POST IMPRESSIONISM

A lecture with Mary Ellen Bitner,  
Carrollwood Cultural Center Curator

## Thursday, June 17

### 6:30—8 p.m.

Join us for this presentation and discussion of the 19<sup>th</sup> Century Artists who were involved in a second revolution in Western Art that was centered in and around the vicinity of Paris, France. This movement moved away from what these artists felt were the mundane subject matter and the low key colors of Impressionism toward a more powerful and emotional approach to their oeuvre as well as moving toward the abstract.

We will examine the art of Cezanne, Gauguin and Van Gogh, the big three of Post Impressionism as well as others of the time who are considered part of the movement. We will discuss how they influenced the artists of the 20<sup>th</sup> Century like Picasso, Dali and Matisse, and the artists of today.
